**TAFTVILLE**  
Taftville Boy is in Strong With Lawrence Fans—Jitneys Run, Although Strike Declared Settled—Personal and Notes.

The following paragraph about Denry Murphy, the local boy, now with the Lawrence Eastern league team was taken from the Lawrence Telegram:

"The more we see of Dan Murphy the better he looks. Murphy is a young fellow who shows considerable promise, and if he continues to improve as he has since the opening of the season some big league scout is going to carry him up for trial in faster company next season."

Murphy has a good whip and he throws what ball players term a light ball, which is very easy to handle. Some catchers heavy heavy throw, but in taking throws from such a catcher as Murphy the infielders are able to put the ball on the runner more quickly.

Murphy also has a good head and is quick to take an advantage. He is becoming feared by base runners on the grounds he is playing. Foul flies are another special in which he shines. He is sure on these and can get over the ground quickly.

At the bat Murphy shapes up well, and with a few years' experience he is now getting under Burkett he will win a strong bid for faster company next season.
